Welcome to WAZA Academy website.

WAZA Academy website is owned, operated and managed by WAN Information Technology.

Please read this privacy policy carefully before using WAZA Academy website.

- 1- WAZA Academy's website is licensed to re-sell training courses that are completely owned and delivered by its listed authorized partners and their own LMSs. Therefore, delivering the end to end training service require sharing the learner's basic information collected at the time of free registration with that partner in order to allow the learner access the training course and receive the training service. This required basis information that we share with the partner upon reserving a partner course is: User name, Email, First name, Last name and address. The partner therefore is using this basic information for only reserving the course and granting and controlling the service access to that learner for that course subject to the reservation made.
- 2- All credit/debit cards details and personally identifiable information will NOT be stored, sold, shared, rented or leased to any third parties.
- 3- The Website Policies and Terms & Conditions may be changed or updated occasionally to meet the requirements and standards. Therefore, the Customers are encouraged to frequently visit these sections in order to be updated about the changes on the website. Modifications will be effective on the day they are posted.
